Subject: Contact information for the Tribes

Randy/Mark, will you please provide me with the contact information for the following tribes?
During our meeting with the Muscogee (Creek) Nation, Sac and Fox Nation, and Cherokee

Nation/Inter-Tribal Environmental Council on August 26, it was told to us that the Osage Nation, Wichita Tribes, and Caddo Nation had historic ties to the area where the Wilcox Oil Company Superfund Site is located. We want to send some site information and an update on the progress to all tribes.

Thanks
